MONTHLY TECHNICAL PROGRESS REPORT #14 - ATTACHMENT # 1

## Progress for this Period

Work was suspended in May pending direction from the continue
Work was suspended in May pending direction from the customer.
understands the proposed modification has been
rejected, but has received no official notification. Funding of the estimated
over run and authorization to proceed with the program has not been
received.
Objectives for the next Period
Based upon authorization to proceed by July 14, 1972, the Pre Acceptance
Test Procedure is scheduled for the week of 24 July. The manual draft will also
be completed by this date.

## Financial

No costs incurred during the month of June.
